DETAILED ACTION

1. Claims 1-39 are pending. Applicant's September 1, 2004 Amendment and REMARKS have been received.

Claim Rejections - 35 USC § 102

2. Claims 17-19, 30-32 and 36-38 are rejected under 35 U.S.C. 102(e) as being anticipated by Lent, US 6,405,181.

Applicant is directed towards the body of the April 5, 2004 Final Rejection, paragraph 2, and page 4, for commentary regarding Lent. Applicant's September 1, 2004 Amendment does not obviate the rejection based upon Lent. Note that Lent's system may be used on-line. Applicant argues that the Amendment obviates the Lent disclosure. The Examiner does not agree with such an analysis. No such specific claim language is presented in the claims, e.g. claim 1. However, the credit approval information in broad scope and content comprises an affordability determination inherently used for purchasing a product for sale on-line.

3. Claims 1-39 are rejected under 35 U.S.C. 102(b) as being anticipated by Mandler et al., US 5,732,400.

Applicant is directed towards the body of the April 5, 2004 Final Rejection, paragraph 3, and pages 4-5, for commentary regarding Mandler. Applicant's September 1, 2004 Amendment does not obviate the rejection based upon Mandler. Note that Madler's system may be used on-line, e.g. Abstract. Applicant argues that Mandler does not provide an "affordability

determination.” No such specific claim language is presented in the claims, e.g. claim 1.

However, the credit report information in broad scope and content comprises an affordability determination inherently used for purchasing a product for sale on-line.

4. Further pertinent references of interest are noted on the attached PTO-892.
